### ► Day 2 & 3 – Lake Kenyir

Lake Kenyir is the largest man-made lake in South East Asia spanning over 200,000 hectares. It is located in the state of Terengganu, and surrounded by the world's oldest rainforest, stretching as far west as Kelantan and south to Pahang,

There are more than 340 islands throughout the lake, and Lake Kenyir has countless number of cascading waterfalls, with abundance of rapids and rivers. Due to it's large water catchment area of 38,000 hectares, Tasik Kenyir is natural heaven for freshwater fish like Toman, Kelisa, Kelah, Sebarau, Lampam and more. Therefore, it has also become a very popular fishing place for local and tourists.

Rapid shooting, rafting, kayaking, boating and canoeing are popular activities for the water sport lovers. You can also explore the Taat Cave and Bewah Cave to witness the extraordinary sight of stalactities and stalagmites, and remember to bring along your torchlight when you go there. Tasik Kenyir also has a world of untouched virgin tropical jungle that is estimated to be millions of years old. It's a world of discovery for nature lovers, adventurers and photographers, where countless species of plants and exotic wildlife can be found here.

#### Places of interest / activities:

- Jungle Trekking
- Deer & Fish Feeding
- Lake Cruising
- Water Falls
- Stroll Along The Canopy Walkway
- Kayaking
- Canoeing
- Rafting
- Animal Observation
- Caves Exploration
- Bird Watching
- Rapid Shooting
- Fishing
